

Summer 3v3 league

 Elkhorn will host its third 3v3 league this summer. If you haven't played 3v3 soccer before, it is a fast-paced game where all of the players get a lot of touches on the ball. Players really like it, and from a coach's point of view, it is a better format for teaching the fundamentals of the game than larger-sided games.

 We invite you to enter teams in the league. All of the games will be at the Elkhorn Rotary soccer facility, just off of Interstate 43 in Elkhorn, and they will be on Wednesday (girl's teams) and Thursday (coed teams) evenings, from 5 to 8:30 pm. The season will run for 7 weeks, from 6/11 to 7/31, with the week of July 4th off.

 Teams generally consist of approximately 6 players. However, we realize that there is a lot going on during this part of the summer, and we will be as flexible as possible with players, as long as we can maintain a balance of player skills. (We do require that you be sure to file a consent form and medical waiver form for every player.)

 **Tournaments:** the Elkhorn 3v3 league is not associated with any tournaments, but there are a number of good 3v3 tournaments within driving distance over the summer. The 3v3 league is an excellent way to get your teams ready to play in tournaments.
